

CANCER VISION

New Table

Date	29.04.2023
Team ID	NM2023TMID18922
Project Name	Breast Cancer
Maximum Marks	2 Marks

New Table

Problem Statement (PS)	I am (customer)	I am trying to	But	Because	Which makes me feel
PS- 1	Mammography is seen only after 20 years	Screen the cancer before it get severe	It require advance facility	The advance device is able to affect the active cells	Frustrated
PS- 2	False positive	Correct the false imaging	It has some limitations	Because there is no difference between active and cancer cells	Physical discomfort

Breast Cancer

Gopikala.G-Team Leader

Mammogram is not able to detect cancer cells. So my idea is to develop it.

false positive

Empathy map canvas

Use this framework to empathize with a customer, user, or any person who is affected by a team's work. Document and discuss your observations and note your assumptions to gain more empathy for the people you serve.

Originally created by Dave Gray, et al.
